

Student Services Outcomes Worksheet

Outcome Characteristics	Yes	No
Our Service Area Outcomes are aligned with our mission statements and goals		
Our Service Area Outcomes are written clearly, are unambiguous, and use action verbs.		
Our Service Area Outcomes are measurable.		
Our Service Area Outcomes can be measured by more than one assessment method.		
We have the resources to conduct the necessary measurements of our Service Area Outcomes.		
Our Service Area Outcomes can be understood by our students; they are simple, focused statements, not a bundle of different ideas.
