Update on COVID-19 and Spring/Intersession 2022

Dear Students,

Throughout the COVID-19 pandemic, our highest priority has continued to be the health and safety of our employees and students. In recognition of the current spike in cases mainly due to the Omicron variant, the four colleges have decided to provide online/remote student support services during the first two weeks of January.

For courses beginning January 3, please contact your instructor for delivery information. San Diego College of Continuing Education students who are enrolled in Fall 2021 on-campus courses will continue to be welcome on campus.

Student Support Services will be available from 8:00 am to 5:00 pm via online delivery, Monday – Thursday and 8:00 am to 1:00 pm on Fridays. Campuses will be closed to the public until Tuesday, January 18 (Monday, January 17 is a District holiday).

We appreciate your cooperation as we do our best to limit the spread of the virus.
