Receive an *Instant* Admission Decision at Our Upcoming Transfer Event

Get all your transfer questions answered—we'll also waive your application fee just for attending.

When you attend the transfer event, you will have the opportunity to:

- Meet with an admissions representative to review your transcripts and find the best pathway for you.
- Learn about financial aid and how to understand a financial aid offer.

*An on-the-spot admission decision may not be available in all situations and is not available for School of Nursing programs, but you will still receive valuable information about the transfer process.
