- **UC Application Fee Waiver**, If students do not qualify for a fee waiver based on 2019 income, the student should select the ‘pay by mail’ option, submit the application, and then email the UC Application Center (ucinfo@applyucsupport.net) asking for a fee waiver based on 2020 income. These requests will be reviewed on a case-by-case basis, **but the student must submit the application first before requesting the fee waiver**. There is no fee to waive if the student hasn’t actually submitted the application yet. (Ask UC, askuc@ucop.edu)
- Please note that once the application has been submitted students cannot make any edits to content. They can make changes to their contact information and in January they will submit their Fall grades and make any changes to what they had initially planned for Spring. They cannot make any changes to PIQs, activities, courses for prior terms (before FA20) or add any other academic history. If they discover an error, they can add a comment in the TAU in January.
