## Plan Ahead !

AA-T / AS-T Update.

We have new degrees approved that will be part of your transfer plan for Fall 2014. Sign up for a workshop in the Transfer Center so that you'll know how these new transfer degrees will affect you.

Special Note:

Students who have or are completing an AA-T/AS-T and have applied to CSU's other than SDSU need to contact their specific CSUs regarding their degree verification.

SDSU transfers, will have their AA-T/AS-T degree verification completed by SDCCD.

Students must petition to graduate for their degree in order to obtain the necessary verification.

### Transfer Myth:

*Once I know what my transfer requirements are, they can't be changed.*

Not true! Changes happen all the time. You should stop by the transfer center once a semester to make sure that your requirements are still the same. This way you have time to make those needed adjustments.
