Nicole: Pep rally went great, thank you so much for everyone helping. I can't attend the conference but hope you all have fun. There are no coffee holders at The Stand. If anyone is interested in helping me with that, let me know.

Jiayu: Wonders how many flyers on campus are outdated and are taking up space for new flyers. Wondered if anything could be done.

Ivanna: "Pizza for Purpose" event went great, thank you for donating. Got a lot of emails from students interested in volunteering for other events.

Brian: Hi everyone, I am the new ICC President! I am a math major, and this is my last year at Mesa. I strive to assist all clubs with success and perseverance.

Victoria Miller: Congrats to Ivanna and Christian! Pep Rally "Glos and Grows" for next week with Vicki Gonazles since she is not here today. 7. **Discussion Items**
    a. *Fifteen-minute maximum per presentation, time permitting*

        1. *Career Services Presentation - LinkedIn Workshop*

Bre: Ran into a booth from the Career Center. They do workshops for LinkedIn and wanted to see if we would be interested in them hosting it for us. Need feedback on what date works best; they have all dates available in December.

Miranda: I think December 9th would be great at 2pm.

Victoria Miller: That works great for now!

2. *ASG will discuss Mesa Foundation scholarships and the allocated amount sponsored by ASG in the past.*

Victoria Miller: Total money given is $12,000 and you all get a part of deciding the recipients who get chosen as we will be reading the applications. A big celebration will be happening to recognize the students. Scholarships open December 7th and close January 17th. Friday, April 30th is when the scholarship ceremony happens. Please save the date.

3. *ASG will discuss the introduction of Mesa Impactship (MIP).*

7250 Mesa College Drive, I4-409
San Diego, CA. 92111
(619)-388-2699

Victoria Miller: School offers internship opportunities where you get a stipend of $1,000. Great way to get involved with the field you are interested in. Invited them to come speak on November 18th. They are holding a expo tomorrow from 10am-2pm in the Quad.

4. *"Sticky Notes for Support"*
    a. *Ava Chamberlain will introduce her Senator Project.*

Ava: Partnering with Student Affairs for wellness week in November. A lot of offenses have been happening around or on campus. Important for students to know how they can self-defend themselves. Will be having a poster for students to write words of affirmation, in return, I will give them a flyer on how to file a report and just support resources for students. The goal is to spread information on how to be safe on campus and how to defend yourself.

Victoria Miller: Thank you so much; this is an awesome idea.

5. *"Coffee with ASG"*
    a. *Stephen Sorrell and Breonnie Barros will present their Senator Project.*

Stephen: Sharing what ASG does, information on how to contact us. Will be having a raffle where you get a gift card and enjoy coffee and donuts.

Bre: If you guys could all try to make it, that would be great, so students can connect with all of us and get to know us better. Will be held on the quad. I do have a spreadsheet of what we are going to buy, and the overall expenses.

Victoria Miller: I have an idea to just buy a jug of coffee at Starbuck's; it would save you a lot of money and time.

Bre: Thank you, that's a great idea. We can put more money into the donuts.

1. **Action Items**

2. Roundtable

a. Three-minute maximum per person

Nicole: Wondered if the Executive Team can motion.

Victoria: Everyone but Miranda can.

Miranda: Want to thank Brian for being here!

7250 Mesa College Drive, I4-409
San Diego, CA. 92111
(619)-388-2699

Brian: Thank you.

Jiayu: Wondered if we could have my friend sing at the Thanksgiving feast.

Victoria Miller: Ask the chairs of the feast, Francesca and Ivanna.

Bre: For my updates on the Online Learning Committee - they are just trying to make online options for students better, and to fit students of all ages.

Nicole: Noticed lab classes aren't online, through interactive learning. If you could bring that up, it would be great.

Ivanna: In my old Chemistry lab, we had dry and wet labs. Wet labs are experiments; dry aren't. If it's just a simple activity, it can be done at home.

Brian: These topics are slippery, because these are how credentials get lost.

Miranda: Planning potluck for November 18th. Wanted to think of the thoughts of everyone.

Nicole: Wanted to get better connection for Senators and Executive. We would play games, bring snacks, and drinks.

Ivanna: Can bring cookies from my work.

Quinton: I won't be present from November 18th-21st for the UMOJA event.

Jiayu: Was wondering about changing the layout of this table so there's more accessible spots at the end. Advisors and exec boards can be at one end.

Victoria Miller: Something that we can reconsider.

3. **Adjournment**

President Miranda Augelli Acuna adjourned the meeting at 1:36pm.
