2025 Commencement Speaker

Tsion-Aduesa Smart

Born in San Diego but raised in Trinidad, Tsion-Aduesa Smart chose to continue her academic journey at San Diego Mesa College after a period of deep personal reflection and growth. Following a gap year to adjust to life in California, she embraced the challenge of starting fresh, realigning her goals with her passion for mathematics and education. At Mesa, she excelled in advanced mathematics courses and found a supportive community that nurtured her academic and personal growth. Through tutoring fellow students and actively participating on campus, Tsion-Aduesa discovered a love for mentoring others. She is currently studying Applied Mathematics and is projected to transfer to the University of California, Berkeley in the fall of 2025. She aspires to pursue a career as an actuary, with hopes of one day becoming a professor and inspiring future generations.

Mesa College Valedictorians and Honors Programs and Societies

Student valedictorians have achieved a 4.0 grade point average (GPA). Students graduating with honors have attained a GPA of 3.5 or above. The San Diego Mesa College Honors Program encourages the cultivation of curiosity through the exploration of ideas and subjects beyond customary coursework and programs. Eligible, highly motivated students work closely with faculty to design and fulfill specialized contracts, providing them with the opportunity to engage in intellectually challenging projects and thrive in an enthusiastic learning environment.

Phi Theta Kappa (ΦΘΚ)

is an international honor society, which offers recognition for academic excellence. Eligible students must have completed a minimum of 12 semester units with a GPA of 3.50 or higher.

Psi Beta (Ψβ)

is a national honor society for students enrolled in or majoring in psychology. Qualifications: completion of at least 12 semester units, with one course in psychology, a "B" average in all psychology courses, and ranking in the top 35% or cumulative GPA of 3.00.

Delta Alpha Pi (ΔΑΠ)

is an international honor society, founded to recognize high-achieving students with disabilities. Eligible students must have a minimum of 24 semester units with a GPA of 3.1 or higher.

The Academic Attire

San Diego Mesa College's commencement ceremony continues the centuries-old tradition of wearing distinctive academic dress. You will see these traditions represented in the caps and

robes of the graduating students, the stage party, and the faculty of San Diego Mesa College who hold advanced degrees from institutions across the nation and the world.

Cords, Caps, Gowns and Hoods

Black gowns are the standard for Mesa College students receiving associate degrees and certificates. Students wear sashes that signify degree programs, affiliations, honors designations, and cultural heritage and pride. The mortarboard, or "Oxford Cap," is also worn, with tassels indicating honors.

Blue gowns with a gold yoke indicate graduates receiving a baccalaureate degree in Health Information Management (HIM).

Blue gowns indicate graduates receiving an associate degree who have achieved a GPA of 4.00 and are distinguished valedictorians.

Gold cords indicate graduates receiving an associate degree with honors (GPA of 3.5 or higher).

White cords indicate graduates receiving a certificate of achievement with honors (GPA of 3.5 or higher).

Distinctive and colorful hoods most readily identify graduate-level degrees: the Master's hood is 40 inches long and the Doctor's is 48 inches long. The colorful lining of the hood is of silk and depicts the colors of the university or college that conferred the wearer's degrees.

The hoods are trimmed in velvet panels and their colors represent different subjects:

Arts, Letters, Humanities..... White

Business.....Drab

Education.....Light Blue

Fine Arts, Literature.....White

Home Economics.....Maroon

Law.....Purple

Library Science.....Lemon

Medicine.....Green

Music.....Pink

Public Administration.....Peacock Blue

Science.....Golden Yellow

Theology.....Scarlet

You will see these traditions represented in the caps and robes of the graduating students, the stage party, and the faculty of San Diego Mesa College who hold advanced degrees from institutions across the nation and the world.
