

## Welcome to Summer at Mesa!

I love the summers here at San Diego Mesa College. Classes are smaller, and are conveniently offered online. We offer a wide variety of courses - including math, English, and most others eligible for transfer - all designed to help you meet your academic goals.

In addition to welcoming our current students, we encourage high school graduates, continuing education students and students from 4-year colleges and universities to enroll in summer classes to GET AHEAD. You can start or finish a general education course or other class you need to graduate.

I encourage new students to enroll in our **Summer C.R.U.I.S.E.** Orientation Program. This free academic enrichment program offers first-time students a head start on college life and academic success. To learn more and sign up, go to [www.sdmesa.edu/cruise](http://www.sdmesa.edu/cruise).

So, join us this summer at Mesa - we have the hottest online classes available.
