

Welcome to Summer on the Mesa!

I love the summers here at San Diego Mesa College. Classes are smaller, parking is easier, and a wide variety of courses - both for GE's and transfer - are available to help you meet your academic goals.

In addition to welcoming our current students, we encourage high school graduates, continuing education students and students in 4-year universities to enroll in summer classes to GET AHEAD, and start or finish a GE or other class you need to graduate!

I encourage new students to enroll in our **Summer C.R.U.I.S.E.** Orientation Program. This free academic enrichment program for incoming freshmen offers first-time students a head start on college life and academic success. To learn more and see session dates and times, go to www.sdmesa.edu/cruise.

So, please join us at Mesa this summer, we'd love to have you. Even on the hottest summer days, it's pretty cool on the Mesa.
