

Welcome to Summer at Mesa!

I love the summers at Mesa! We offer a wide variety of courses - including math, English, career education, and transfer options- all designed to help you meet your academic goals. While in-person courses will be limited

this summer, we still have an abundance of **virtual online student services** that can assist you on your academic journey, including educational and career counseling, tutoring, health services, financial aid and a food and clothing pantry.

If you are a new or returning student, and want to start out strong, attend our **C.R.U.I.S.E. Orientation Program** this summer. **C.R.U.I.S.E.** is a **FREE** academic enrichment program - for incoming students of all ages - that offers a head start on college life and academic success. Registration is now open and sessions will be offered in July. I encourage all new students to apply; go to **www.sdmesa.edu/CRUISE** for full details.

This is a great time to start something new, or pick up where you left off. You can start or finish a general education course or other class you need to graduate. Mesa College is here to support you, and to provide a great learning experience whatever your goals may be. So, join us this summer at Mesa - we have the hottest online classes available.
